

Rushdi Nura

Software Engineer · Website & Mobile App Developer

Ethiopia | your.email@example.com | +251 9XX XXX XXX | github.com/RushdiNura | linkedin.com/in/rushdi-nura

SUMMARY

Software Engineer from Jimma University specializing in website and mobile application development — building scalable, maintainable software with clean architecture and intuitive user experiences, backed by three years of student leadership experience.

EDUCATION

B.Sc. in Software Engineering

Jimma University

TECHNICAL SKILLS

Frontend	HTML, CSS, JavaScript, TypeScript, React, Tailwind CSS
Backend	Node.js, Express.js
Database	MongoDB, MySQL
Mobile	Flutter
Languages	JavaScript, TypeScript, Java, C++, Python
Tools	Git, GitHub, VS Code, Postman, Figma

EXPERIENCE

Software Engineer

Frontend · Backend · Mobile Development

- Design and build scalable applications end to end, from interface to API to database, across web and mobile.
- Apply clean architecture and maintainable coding practices using modern frameworks and tools.

SELECTED PROJECTS

E-Commerce Platform

Modern full-stack shopping application.

React, Node.js, Express.js, MongoDB

HR Reporting System

Role-based HR reporting platform with authentication and dashboards.

React, Node.js, MySQL

Addis Home

Real estate / housing listings application.

React, Tailwind CSS, Node.js

Image Gallery

Responsive gallery with filtering and image preview.

React, CSS

Notes App & Todo App

CRUD note-taking and task-management apps with deadlines.

React, JavaScript

Camera App & Camera with Gallery

Mobile camera apps with integrated gallery browsing.

Flutter, Dart

Plus Movie Manager, Color Generator, Event Planner, and more — see github.com/RushdiNura.

LEADERSHIP & ACTIVITIES

Cafe Club Leader (3 years) & Core Member, Peace Forum Club — Jimma University

During my studies

- Led teams and organized events, representing the clubs in numerous meetings and building confidence in public speaking.
- Strengthened leadership, communication, and teamwork — and earned multiple certificates through leadership training and workshops.
