

RUSHDI NURA

SOFTWARE ENGINEERING GRADUATE | FULL-STACK DEVELOPER

Software Engineering graduate from Jimma University with hands-on experience in full-stack web development, testing, debugging, API development, databases, and deployment. Skilled in React.js, JavaScript, Node.js, Express.js, MongoDB, and REST APIs. Completed a Software Engineering internship at Abajifar Technology PLC and developed multiple practical web applications. Completed Udacity's Artificial Intelligence Fundamentals Nanodegree. Strong problem-solving, communication, teamwork, leadership, adaptability, and continuous-learning skills.

Skills

JavaScript

TypeScript

Python

Java

C++

HTML5

CSS3

React.js

React Native

Tailwind CSS

Node.js

Express.js

REST APIs

JWT

Authentication

RBAC

MongoDB

Mongoose

MySQL

SQL

Work Experience

Abajifar Technology PLC, Jimma

2025 - 2025

Software Engineering Intern

Assisted with frontend and backend software development, testing, debugging, and application maintenance. Collaborated with developers to troubleshoot technical issues and improve application functionality. Participated in software development workflows, documentation, testing, and problem-solving activities. Gained practical experience working in a professional software development environment.

Jimma University Institute of Technology Student Union

2023 - 2026

Grand Food Club Leader

Led a student representative club responsible for monitoring cafeteria food quality, hygiene, and service standards. Collected and analyzed student feedback, documented concerns, and communicated findings to university management. Coordinated club activities and stakeholders while strengthening leadership, communication, teamwork, coordination, and problem-solving skills.

Education

B.Sc. in Software Engineering

2021 - 2026

Jimma University, Jimma Institute of Technology

CGPA: 3.42 Relevant areas: Web Development, AI & Machine Learning, Databases, Data Structures & Algorithms, OOP, Software Architecture, Testing & QA, Networks & Security.

Projects

HR Reporting System (MERN)

Developed a full-stack HR reporting system for creating and managing organizational reports. Implemented JWT authentication, role-based access control, RESTful APIs, dashboards, and MongoDB data management. Built structured reporting forms and automated document-generation workflows to streamline HR reporting.

E-Commerce Platform (MERN)

Developed an e-commerce platform with authentication, product management, CRUD operations, REST APIs, MongoDB, and responsive UI

Git

GitHub

VS Code

Postman

Languages

Amharic (Fluent)

English (Advanced)

Afaan Oromo (Fluent)

Arabic (Beginner)

Hospital Management System (MERN)

Developed a hospital management system for managing patients, doctors, appointments, medical records, and administrative workflows. Implemented authentication, role-based access, RESTful APIs, and responsive dashboards.

Travel Booking Website (MERN)

Developed a responsive travel platform for destination browsing and reservation management with API and database integration.

Real Estate Website (MERN)

Built a property platform for browsing, searching, and managing listings with responsive UI, APIs, and database integration.

Job Portal Website (MERN)

Built a job listing and application platform connecting job seekers with employment opportunities.

Gym Website (MERN)

Responsive website showcasing fitness programs, trainers, services, and memberships.

Online Learning Platform (MERN)

Built a role-based instructor and student platform, course and lesson management and learning progress.

Online Survey Builder (MERN)

Dynamic survey application for creating forms, managing questions, and collecting responses.

Awards / Achievements

Certificate of Appreciation

From Jimma University, Institute Of Technology

Artificial Intelligence Fundamentals

Udacity Nanodegree

Peace Education Training Certificate

British Council

Fundamentals of Digital Marketing

Google

Seven e-SHE Professional Development Certificates

Ministry of Education

Letter of Recommendation

From Jimma University Software Engineering Program Coordinator
