

Rushdi Nura

Software Engineer — Website & Mobile Application Developer

Ethiopia | rushdinurafita@gmail.com | +251 909 656 336 | github.com/RushdiNura | linkedin.com/in/rushdi-rushdinura-7882a52b4

PROFESSIONAL SUMMARY

Software Engineer holding a B.Sc. in Software Engineering from Jimma University, specializing in website and mobile application development. Experienced in building scalable, maintainable applications across the full stack — from responsive frontends to REST APIs and databases — using React, Node.js, and Flutter. Combines strong technical execution with three years of proven leadership experience organizing teams and events.

TECHNICAL SKILLS

Languages	JavaScript, TypeScript, Java, C++, Python
Frontend	HTML, CSS, React, Tailwind CSS
Backend	Node.js, Express.js
Databases	MongoDB, MySQL
Mobile	Flutter
Tools	Git, GitHub, VS Code, Postman, Figma

PROFESSIONAL EXPERIENCE

Software Engineer

Frontend, Backend & Mobile Development

- Design and develop scalable, full-stack web and mobile applications, from interface design through API development to database architecture.
- Apply clean architecture principles and maintainable coding standards using modern JavaScript frameworks and tools.
- Collaborate across the stack to deliver production-quality features, from initial design through deployment.

SELECTED PROJECTS

E-Commerce Platform

Developed a full-stack shopping application featuring product catalog, cart, and checkout functionality.

React, Node.js, Express.js, MongoDB

HR Reporting System

Built a role-based HR reporting platform with authentication and administrative dashboards.

React, Node.js, MySQL

Addis Home

Developed a real estate and housing listings application with search and filtering.

React, Tailwind CSS, Node.js

Image Gallery

Built a responsive image gallery with category filtering and preview functionality.

React, CSS

Notes App & Todo App

Developed CRUD-based note-taking and task-management applications with deadline tracking.

React, JavaScript

Camera App & Camera with Gallery

Built mobile camera applications with integrated gallery management.

Flutter, Dart

Additional projects include Movie Manager, Color Generator, and Event Planner. Full portfolio available at github.com/RushdiNura.

EDUCATION

B.Sc. in Software Engineering

Jimma University

LEADERSHIP & ACTIVITIES

Cafe Club Leader (3 years) & Core Member, Peace Forum Club — Jimma University

During academic studies

- Led a team and organized recurring club events, developing strong organizational and public-speaking skills.
- Represented the club in numerous meetings, strengthening collaboration and communication skills.
- Earned multiple certificates through leadership training and workshop participation.
